

# HOW TO CREATE YOUR SCENE

Your ability to survive, to be calm, to be happy, to be successful, stems entirely from the quality of the people you surround yourself with. Surround yourself with creative, smart, honest people and good things will happen.

FIND THE PEOPLE WHOSE WORK INSPIRES YOU. BUSINESSES, WRITINGS, ART, WHATEVER.

COME UP WITH IDEAS FOR THEM. HOW CAN YOU HELP THEM?

START DOING YOUR OWN WORK. SHARE WITH THE PEOPLE YOU LIKE. INTERACT WITH THE PEOPLE WHO INTERACT WITH YOU SINCERELY.

TRY TO MEET THE PEOPLE WHO INSPIRE YOU. SOME OF THEM ARE BUSY. SOME WOULD LIKE TO MEET.

GO TO CONFERENCES AND MEET THE PEOPLE WHO INSPIRE YOU.

EVERY DAY WORK. EVERY DAY CREATE. EVERY DAY SHARE. THE PEOPLE YOU SHARE WITH SLOWLY SOLIDIFY INTO YOUR SCENE.

AND THEN... REPEAT. NEVER STOP HELPING.
